The Chattram at Hosdurg is no doubt a very useful one situated as it is near the Railway Station and on the road from Cheruvathur to Chittaldroog. Its maintenance allotment is very poor being only Rs 25-6 out of which Rs 2 goes to a Peon, Rs 14 to establishment and Rs 9-6 to feeding. The question of improving the usefulness of the Chattram has been present upon the notice of Govt more than once but the matter had to be given up as the Dt Comr could not suggest the ways and means.

I inspected the Chattram in Septr last. There is no doubt that it is a very useful institution but its scope is at present very limited and the only way of improving it is by the diversion of the funds of some other institutions in the District. I consulted the Dt Comr about the utilization of the Komarapalli rest-house allotment for the purpose. While he agrees with me in thinking that it is more profitable

It was open the Kumaradhalai Chatram bordering to the Non-Hindu Public as is contemplated by the rest-house rules, he thinks, that the rest-house should be maintained there, a separate block being built for the non-Hindus. I have already indicated my reasons in the note I put for the abolition of this rest-house. If this point is finally settled, difficult questions can be framed for improving the position of the Walker Chatram and a small ground-map also be made for the Harihara Chattram which also requires Attention.

The D.C.'s present proposal as regards Walker Chatram is merely to leave it alone since die a hasty & satisfactory Solution.

available for feeding under present conditions but also to dispense with the service of the cork (as BS) which would no longer be necessary. Or, in the alternative, the cork may be dispensed with, and flow given to the ryots up to a prescribed limit. In either case there will be sufficient saving to allow of an increase to the pay (now altogether inadequate on the face of it) of the Bailiff.

I should like the Revenue Board to consider the above suggestion, and hear of the matter again, after consideration of the present D.O. letter.

I would rather not mix up the present case with that of the Kemparamballi dhalteau.

S I R,

With reference to your official memorandum No.2637/Muz 108-11-6 dated 9th May 1912 forwarding for disposal or report, if necessary, petition from Narasappa, Parapathegar of the Chatram near Holalkere Railway Station praying that the tasdik allotment of the Chatram as also his pay may be increased, I have the honor to state that this chatram was opened so far back as 1893 with a cash grant of Rs 25-6-0. In accordance with the orders of Government issued from time to time ending with order No.1673-5/Muz F.169-09-6 dated 5th January 1910, the scale of expenditure is fixed as follows:-

Cook and waterman.	Rs 8-0-0.
Sweeper.	2-0-0.
Mutsaddy or Parpathegar.	4-0-0.
Nehami allowance.	2-0-0.
Feeding.	9-6-0.
	Total Rs 25-6-0.

2 From the above it will be seen that the establishment charges amount to Rs 16 per mensem and there remains only a sum of Rs 9-6-0 for feeding.

3 Since 1893, times have considerably changed and the prices of food grains have enormously increased. Consequently the

sum of Rs 9-6-0 is hardly enough to feed the needy poor Brahmin travellers, the sick and the infirm etc. Besides the allowance of Rs 4 per mensem given to the Parpathegar is quite insufficient for his maintenance in consideration of the ruling prices of food grains. As he has been getting this Rs 4 for the last 20 years and his responsibilities have considerably increased with the increase of traffic at Holalkere it is very necessary that his allowance should be raised to at least Rs 8 per mensem. The number of travellers has also increased and it is impossible to meet the demand with the small sum of Rs 9-6-0 for feeding charges. I therefore beg to recommend that a grant of Rs 12-10-0 in addition to the existing allotment of Rs 25-6-0 making in all a total grant of Rs 38 per mensem may kindly be sanctioned in view of the circumstances explained above and the scale of expenditure fixed as follows:-

Cook and waterman.	Rs 8-0-0.
Sweeper.	2-0-0.
Parpathegar.	8-0-0.
Nehame allowance.	2-0-0.
Feeding.	18-0-0.

Total	Rs 38-0-0.

2/ The enclosures received with the reference under reply are herewith returned.

I have the honor to be,

S i r,

Your most obedient servant

Anything I write about Narasappa, care taker of the chatram will only be a repitition of what all has been recorded by several distinguished visitors. He fully deserves a substantial increase to his present pay of Rs 5 which is hardly sufficient to maintain his family and himself.

14th December 1910.

(Sd) D. Devaraj Urs,
Inspector General of Police,

The Holalkere Station musafirkhana is well looked after by parpatyagar Narasappa and the furniture is kept clean and in good order. He is always present at the station and renders a great help to travellers in procuring conveyances for taking the kit etc. He is very badly paid and deserves to get increase. He seems to be very obliging and hard working man.

6th March 1910.

(Sd) J. Desaraj Urs,

I endorse every word of what several of the visitors have recorded of the excellent services which Parasappa has been doing here in spite of his pittance. He deserves a substantial increase to his salary and I understand that this question is engaging the attention of the District Furd Board of which Mr. Ramanujiengar is the President who is anxious to do something for him.

Extract from the visitors Book kept at the Arehallihatti Chatram, near Holalkere Railway Station.

----------:O:----------

(1) Put up in the chatram near the Railway Station house, with friends on the morning of the 7th January 1895. The building and its surroundings were clean. Good deal of attention is paid to the comforts of travellers. Mr. Chennagowda is naturally a very obliging gentleman. I am glad to know he is associated with the institution as dharmakarta. Parpatyagar Narasappa and the servants were very obliging to us.

(5) Several times while going to Bangalore and returning to Chitaldroog I happened to put up in this Chatram. I found the building clean and parpatyagar Narasappa very obliging. I hope he is so to all travellers.

(7) The building is kept clean. The parpatyagar is very attentive to poor travellers and the usefulness of the institution would be considerably enhanced if additional grant is sanctioned for feeding benighted travellers.

(8) I found the place very clean and well kept. Being so near the Railway Station it is very useful. Perhaps a separate kitchen is not an undesirable addition.

(9) The Musafirkhana is scrupulously clean and creditable to Narasappa parpatyagar. Quite an exception to the general run.

6th February 1899. (Sd) P.N.Purniah,
Excise Commissioner.

(10).The musafirkhana is kept quite neat and tidy by the parpatyagar Narasappa. He seems to take the best interest in the advancement of the institution. In fact as I learn he devotes the best of his time and energy in looking to the wants of travellers. He is kind both to poor and rich alike. He is certainly deserving of encouragement. All round the building everything is very clean and there is not the least sign of neglect on the part of the parpatyagar. The Chatram sadly needs some furniture -- a few cots I should think would answer the wants of travellers who may have to stop in the chatram.

10th September 1900. (Sd) C. Devaraj Urs,
Assistant Commissioner.

(11) The chatram and its surroundings are very clean and tidy. Only the floors of the rooms on the northern side is greatly cut up and requires repair. It is a pity that the water in the well attached to the chatram has become unfit for use having been spoilt, as I am told by the deposit of rubbish in the course of certain repairs recently executed to the well. In a place like this, where water is very scare, it is absolutely necessary that the water in the well should be preserved in good condition. The well should be drained off and the silt removed. The parpatyagar Narasappa, who takes

great interest in this institution, says that he has arranged to get the silt removed by the local ryots. I trust that he will do the work early.

The construction of 3 or 4 separate rooms for kitchen purposes will greatly improve the condition of the chatram.

2nd October 1900. (Sd) A. Mrityunjaya Iyer,
Manager, Muzrai Secretariat.

(12) The chatram is maintained in good condition. The flooring is cut up and for the wear and tear it is subjected to, nothing but tiled flooring or Kadapa stones will answer. Some change is also wanted in the feeding arrangements but the matter is under the consideration of Government. (Sd) M.S.Narayana Row,

22nd June 1901 Deputy Commissioner.

(13) The cleanliness of the musafirkhana is due to the care taken by the parpatyagar. He has always been very useful to the travellers. His behaviour is exemplary. For all his good work he is paid Rs 3 per mensem. I don't know how he is to live on this pittance and do his work satisfactorily.

(Sd) H. Chengiah Chetty,

(16) The chatram near the Holalkere Railway Station is kept neat and clean. Some difficulty is occasionally felt by official travellers and also in some degree by non-officials by reason of the fact that chairs and tables are wanting. I find however, during this visit of mine that the chatram is provided with the necessaries solely due to the obliging nature of Mr. Narasappa, the dharmakarta towards all travellers. The excellent state of the chatram bears

testimony to the silent and good work done by him. There is however a desideratum to wit, a closet. I have no doubt that the difficulty will be removed at an early date.

Sir,

Referring to your No.1758 Muz.614-12-3 dated 15th January 1919, I have the honor to state that in the first place the Chattram at the Holalkere Railway station has no building of its own. It is at present located through the courtesy of the District Board in one block of the musafirkhana.

The conversion of the Chattram into a Rest House will simply mean free feeding changed into a paid meal. This seems undesirable in the interest of the poor travellers who might require to be fed and this is specially needed at the Holalkere Railway station which is the gate of this District.

I should like the Chattram to continue as it is, with the small grant given to it, till Government finds its way to increase the same looking at the importance of the place, with this difference viz that a small kitchen block may be constructed separate from the musafirkhana so as to make the whole of the latter available for the use of travellers.

The closing of the charitable chattram does not seem to be desirable as the people arrive at the station at odd hours and would find difficulty for meals.

I have the honor to be,

Sir,

With reference to the correspondence ending with your letter No.2016 of 16-19/ Per. dated the 4th August 1919, requesting that a monthly rent of Rs.4/- may be sanctioned on the part of the Chattram at Holal owned by the Distt. Board Musafirkhana which is located and proposing also to abolish the post of the sweeper on Rs.4/- in order to find funds for the payment of the Chattram Parpathegar, I am directed to state that as the Chattram in question was located in the Musafirkhana far back as 1899-99 without any stipulation for payment of rent, and has continued to remain unassessed to rent, Government are not prepared to consider that the Distt. Board have claimed any rent. In the circumstances, the case is made out for payment of rent which can be paid from the savings in the Chattram fund. The proposal of the Distt. Board to abolish the post of the sweeper is not accepted.

2. I am also to observe that the Government do not consider it necessary to have a highly paid and full-time Parpathegar for the charge of this Chattram. The remuneration of Rs.4/- per mensem now paid to him is in the nature of an allowance for supervising the Chattram; and Government do not see any necessity for increasing it.

3. As the sweeper is an indispensable adjunct to a Chattram, Government con

consider ~~that~~ ~~the place cannot be~~ undesirable to abolish
the post
as proposed by you.
